Professional Summary

Data Analyst and MIS Executive candidate with hands-on experience in data cleaning, preprocessing, SQL, Advanced Excel, Python, and Power BI. Skilled in XLOOKUP, VLOOKUP, HLOOKUP, Pivot Tables, Power Query, KPI analysis, dashboard development, and business reporting. Experienced in transforming raw data into actionable insights through visualization and data storytelling. Familiar with cloud analytics using AWS, Amazon S3, Amazon Athena, and AWS Glue, with 145+ data analysis and data science projects.

Technical Skills

Data Analysis: SQL, Python, Pandas, NumPy, Data Cleaning, Data Preprocessing, Data Validation, EDA, Statistical Analysis, KPI Analysis

Advanced Excel: Microsoft Excel, XLOOKUP, VLOOKUP, HLOOKUP, Pivot Tables, Pivot Charts, Power Query, Conditional Formatting, Data Validation, Reporting

BI & Visualization: Power BI, Dashboard Development, Data Visualization, Data Storytelling, Business Reporting, MIS Reporting

Cloud & Data Platforms: AWS, Amazon S3, Amazon Athena, AWS Glue, Microsoft Fabric

Data Science: Scikit-learn, Matplotlib, Seaborn, Plotly, Feature Engineering, Machine Learning, Time Series Analysis

Additional: Generative AI, Prompt Engineering

Independent Data Analytics Experience

Independent Data Analyst / Portfolio Developer

Jan 2023 – Present

Independent Projects

Kolkata, India

- Built 145+ data analysis and data science projects covering data cleaning, preprocessing, EDA, visualization, modeling, and insight generation.
- Used Python, SQL, Excel, Power BI, Pandas, NumPy and visualization tools to transform raw datasets into structured analysis and business reports.
- Developed dashboards and visual reports to analyze KPIs, trends, customer behavior, sales performance, and operational insights.
- Applied statistical analysis and data profiling techniques to assess missing values, identify appropriate imputation methods, and improve data quality and reliability.
- Used SQL queries to extract, filter, join, aggregate, and analyze large datasets for reporting, KPI tracking, and business analysis.
- Leveraged Excel features including PivotTables, Power Query, lookup functions, conditional formulas, and data validation to automate reporting and streamline data analysis workflows.

Featured Projects

Amazon Sales Report Analysis

[Project Link](#)

- Cleaned and preprocessed real world Amazon sales data using Python and performed exploratory and statistical analysis to evaluate revenue, product performance, pricing, discounts, customer ratings, and regional sales trends.
- Built business focused Power BI visualizations to analyze KPIs, customer preferences, product demand, and regional performance, supporting data driven business decision making.

Blinkit Sales and Business Analysis

[Project Link](#)

- Cleaned and preprocessed multiple Blinkit datasets using Python and analyzed sales, customer, delivery, inventory, product, feedback, and marketing data to identify business trends and performance insights.
- Developed Power BI data models, KPIs, and interactive dashboards to evaluate revenue, customer behavior, operational performance, inventory efficiency, and marketing effectiveness.

Zomato Restaurant Market and Customer Analysis

[Project Link](#)

- Cleaned and preprocessed Zomato restaurant data using Python and analyzed restaurant competition, customer rating volume, satisfaction, pricing, cuisines, and service adoption to identify business insights.
- Developed an interactive Power BI dashboard with KPIs, slicers, classifications, and visualizations to evaluate customer demand, restaurant performance, market opportunities, online ordering, and table booking adoption.

Certifications & Achievements

Kaggle Expert Rank – Expert-level recognition for data analysis projects and real-world datasets. **Data Analysis Bootcamp** – Alex Freberg. **Data Science Course** – GeeksforGeeks. **Python Certificate** – GeeksforGeeks. **Advanced Microsoft Excel** – Udemy.

Education

Master's in English Literature

2023 – 2025

Netaji Subhash Open University

West Bengal, India

B.A. in English Literature (Honours)

2020 – 2022

West Bengal State University

West Bengal, India
